

Somerville-Cambridge Elder Services

2011 FLU CLINICS

Due to a limited supply of flu vaccines this year, Cambridge and Somerville are limiting flu clinics to children (age 6 months through 18 years), and uninsured adults whose insurance does not cover flu shots. Below are a few recommendations for obtaining your flu shot this year.

In Home Flu Vaccine Services

Due to a limited supply of flu vaccines this year, if the individual is already a client of VNA Care Network & Hospice and they are unable to leave his/her home due to a health condition, he/she can schedule VNA services for an in-home vaccination. The VNA referral line is 1-800-728-1862.

Cambridge Flu Clinics
