

SOMERVILLE-CAMBRIDGE ELDER SERVICES CELEBRATES DIVERSITY!

Did you know that...

- We serve more than 2,500 elders, caregivers, and younger disabled residents from many different backgrounds throughout Somerville and Cambridge.
- Our staff is fluent in **11 different languages**: Bulgarian, Cantonese, English, French, German, Haitian-Creole, Italian, Portuguese, Russian, Somali and Spanish.
- We can connect you with a wide network of resources, including **culturally appropriate** health programs and community associations, educational opportunities, legal services, and social and support groups.
- Our **Open Door Task Force**, part of the LGBT Aging Project's initiative to ensure equal access for lesbian, gay, bisexual, and transgendered elders, has developed a resource guide specific to the needs of LGBT elders.
- Our Aging Information Center can assist **anyone** seeking information or assistance with a wide variety of aging, disability, and caregiving issues, including home care services, health insurance, money management and caregiver support.

At Somerville-Cambridge Elder Services, we respect and welcome diversity of all kinds among our clients and our staff. Call us today or visit our website to find out more!
